### Can You Help Our Pender County Friends and Neighbors?

Our AmeriCorps Seniors RSVP volunteers use their life experiences, skills, talents, and interests in meaningful volunteer opportunities as they help others and make a difference.

Our volunteers are age 55+. With AmeriCorps Seniors RSVP, they can choose the volunteer activities that meet their interests and needs.

We also offer focused training and a variety of social opportunities to ensure volunteers have useful and rich experiences as they touch the lives of others in our community.
